Brother H.L. Bucher, M.B.A., Superintendent of Mount Cashel

On the completion of his Tertianship at the Christian Brothers' Motherhouse in Rome, Brothr Bucher, V.C.'s principal from 1968 to 1975, was appointed Superintendent of Mount Cashel Orphanage in St. John's, Newfoundland - one of the largest Catholic Boys' homes in Eastern Canada.

Brother Bucher, a graduate of O'Dea High School in Seattle, first came to College in 1956. He remained on the staff here until 1963 when he was transfered to St. Pius X High School in Montreal. The following year he was posted at Bro. Rice High School in St. John's, where he remained until he returned to V.C. in 1967.

Brother M.P. Nolan, M.A., Assistant Master of Novices

Last September, Brother Nolan, senior English teacher at College for two years, was appointed Assistant Novice Master and Instructor in English at Christian Brothers' College in Mono Mills, Ontario. He first came to V.C. in 1963 and taught the economics and business courses for two years. In 1965 he was transfered to St. Pius X High School in Montreal where he remained until 1970, when he was transfered to St. John's, Newfoundland. He returned to V.C. in 1974.

SAMANTHA...

Samantha, or "Sam" as she has been affectionately nicknamed, has been the faithful guard dog of the brothers for the last six years. She has become very much a part of the school and we the yearbook staff decided it appropriate to dedicate this page to her. Sam receives much loving care from Brother Kelly and Mrs. Body after the day-students have left for home. We hope "Sam" spends many more years watching over our beloved brothers.

In the 1976 season the fans of Br. Duff's Cream Puffs and Mr. Clavin's Cannonballs saw very close matches. Going into the final game, a win for the Cream Puffs would have tied the two teams up for the season. It was this last game that was said to be the most exciting for all since it was the last minute touchdown scored by Pete Griste that sent the Cannonballs to their reward - lunch at McDonald's. When the players were asked to comment on the season they summed it all up by stating that it was fun.

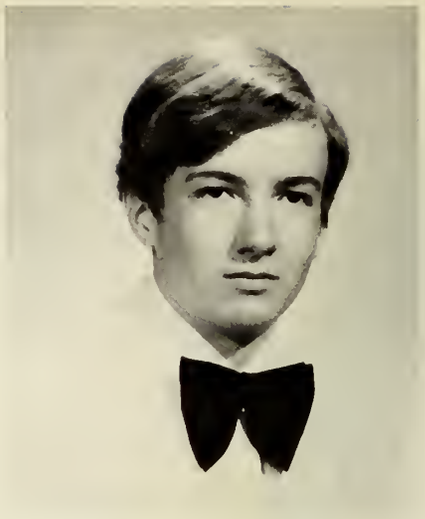
DONALD MICHEAL ANDREWS

"Psycho" has been battling his way from Bowen Island for the last two years. His interests include skiing, football and girls. When his twelve years at College conclude this June, Don hopes to catch up on all the sleep he missed on his morning ventures to school.

ROBERT ARAMINI

A devout Maple Leaf fan, Robert came fron St. Augustine's to College five years ago. Since he has been at V.C., he has participated in the intramural program and served on the Grad Committee. After graduation, Rob plans to take up education at U.B.C. or S.F.U.



KEVIN BYRON ATHERTON

After completing a strenuous twelve years educating himself, Kevin plans to take two and a half months off before continuing his studies in sciences at U.B.C. His spare time is devoted to such varied activities as cycling, cross-country skiing and sleeping.

GARY LEIGH BAANDERS

For five wonderful years Gary has been taking the daily trek from the bogs of Richmond. While at College Gary has played supporting roles in both 'Fiddler on the Roof' and 'West Side Story' and has been actively involved in intramurals. After graduation, Gary will either join the Canadian Armed Forces or become a professional cub scout leader.

GERALD GEORGE BAKER

Hailing from the wilderness of South Vancouver, Gerry has attended College for five years. During that time, he has been active as Co-Editor of the VoiCe and as a cheerleader. In the future he intends to attend the Science Faculty at U.B.C.

ROGER JOSEPH BEAUDOING

Burnaby's gift to Class of 1977, Roger has been so devoted to Mr. Kavalec that he spends most Saturdays as a 'Volunteer' worker at College. Outside of school, he enjoys skiing and driving other people crazy. The future will see him fly the friendly skies as a pilot.

ZOLTAN LASZLO BENKO

Zoltan, our bookworm-in-residence, came to College from St. Augustine's five years ago. During that time he has taken part in only one activity-study, but outside of school, he takes part in many outdoor activities such as scouting, hiking, camping and skiing. Next year he plans to embark on his plan to become a research chemist.

VERNON H. BENNINGTON

A native of North Vancouver, Vernon has had to commute to V.C. for the past five years. When he isn't hitting the books, Vern fills in his time hunting, fishing, playing chess or working on his coin collection. The Law School at U.B.C. is his immediate goal.

GORDON PETER BETTIOL

"Lightfoot", who came to College seven years ago from St. Jude's School, has been active in track, football and intramurals. Any senior resident with a complaint can turn to him and be assured that the Dorm President will solve the problem. Next year he intends to further his study at B.C.I.T.

GEORGE HERMAN BORCHERT

A parishioner of Guardian Angels in the West End, George is an import from Sir William Dawson Elementary School, who came to V.C. five years ago. When this ranked junior tennis player is not on the tennis courts, he may be found hiking on the local mountains. His future plans include a science course at U.B.C.

JOHN JOSEPH BOYLE

When John came to College from Immaculate Conception five years ago, things happened. As a letterman, intramural rep and track team member, J.J. has helped organize basketball tournaments for fun and profit. In his leisure time he enjoys waterskiing, tennis and 'mean' driving. Destined to become famous, John has to decide between a life of crime and U.B.C.

HENRY GEZA GEORGE BUDAI

Henry has walked the hallowed halls of V.C. for twelve years, during which he has been involved in activities such as track, basketball and floor hockey. His unshakeable composure has earned him the respect of his friends. Henry hopes to enter U.B.C. with the intention of majoring in linguistics.

WILLIAM RICHARD CAWKER

Bill, another twelve year man, is the last of three brothers to graduate from College ending a twenty-year tradition. An honour student, he has actively participated in football, basketball, intramurals and the Musical. A regular at College games, he is also a diehard supporter of the Canucks and Canadiens. Bill plans to enter the art program at U.B.C. this coming fall.

HENRY MAN HO CHENG

Transferring from one school to another during one's senior year is no easy task. Yet Henry has quickly adapted to life at College and St. Michael's University School is the loser. Besides studying, Henry enjoys the occasional game of bridge. His future plans are to study the science of medicine at a top-flight university.

"Don't worry, Tiger, I'll find Monsiegneur for you," comforts Bob Tichelman.

John Stubbs tells Bro. Colford how it's done, while Rick Brownrigg wishes they'd let him get into his locker.

ROBERT CHEUNG WAI

A second year border from Hong Kong, Robert has added much to life in the McCormack Residence where he is a councillor. His chief interest lies in the field of computer mathematics, but he does occasionally take time out for a game of basketball. The seemingly endless list of twelve year men, from left to right: Henry Budai, Bob Tichelman, Rory Mulhern, Paul Gaylie, Horst Maurer, Don Andrews, Rob Sengara, Ian MacKinnon, Peter Hancock, Marty Zajac, Peter Peller, Bruce Hyder. ABSENT: Bill Cawker.

Bill Cawker (a twelve year man) attempts to swerve down one of the corridors.

In September 4th, 1965, the smile of our then principal, Br. Finch, welcomed a new class of primary students to the grammar school. Through the long twelve years, through many teachers, a memory of a smile of Br. Finch has been upon the minds of thirteen young men originally from that primary class. Thus presents the largest group ever, in the 55th year of the history of our school. Under the long tradition of the teachings of the Christian Brothers, each of these young men had learned from spelling bees to grammar and composition, from arithmetic to calculus, from science to chemistry and physics, and so on.

Today is the preparation for all of these men to leave the familiar front doors for the last time, to face a different world of a new life. The fond memories of those twelve years have helped to settle deep thoughts and friendships.

Don Andrews, a grade 8 football coach, shows a little emotion.

...and then there was something...

Here Rob Sengara, our faithful vice-president, speaks to the audience at a rep rally.

LEIGH ALLEN TUNSTALL

Leigh has been treking from Tsawwassen to V.C. for the past five years. In his years here, he has formed his niche in the stage crew of the Musical. When he is not skiing or swimming, he likes to spend his time drawing and chasing girls. His future plans are to attend Michigan State to further a musical career.

RALF MICHAEL VOSS

For the past two years, Ralf's yearning for learning has led him to leave Cassiar, 1600 miles north, to become a resident student at V.C. He is interested in hockey, poker and reading and is ready to travel anywhere. Besides taking part in the regular activities of the borders, he was active in intramurals. His future plans include attending U. of Victoria after working this summer in Cassiar.

JOHN PETER VAN BAARSEN

Peter has been commuting to College from Ladner for the past five years. Before coming to V.C., he attended Sacred Heart School. His main interest outside school lies in the area of electronics. Next year he will follow through on his favorite past-time and take up Electrical Engineering at university.

DONALD ERIC WALKER IV

Eric, another wanderer from the Richmond bogs, came to V.C. five years ago. A shy quiet fellow, he enjoys hiking, camping and listening to Niel Young and Jim Croce as well as Frank Sinatra and John Denver. Athletically, Eric is involved with College's hockey team for which he plays center. Due to many and complex happenings, Eric's plans for the future have not been disclosed.

PAUL EMILE WEST

Paul, better known to his friends as 'Cutes', came to College from Kitsilano Secondary two years ago. His prowess takes in hockey, football, wrestling and even extends to the Musical. His interests vary from sports to art and woodworking. After graduation, he hopes to attend the School of Art to become an artist.

"Gee, I wish I had some money to buy tickets for the dance," sighs Paul West.

MICHAEL PATRICK JOHN WHITE

A parishioner from Sts. Peter and Paul, Mike has been at V.C. for seven years. He has been involved in the Grad and Dance Committees and is a devout supporter of the football and basketball teams. Outside of school, Mike enjoys skiing, golf, parties and killing rats. Future plans include skiing in Europe before settling down to Law School.

EDWARD NEIL WHITLOCK

In the past five years Eddie has had to face many trials and tribulations since he left St. Anthony's (Marpole). He has been active in football, basketball, the Grad Committee and also served as Vice-President of Class 121. Despite his precarious existence, Ed enjoys skiing, swimming and motorcycle riding. His future plans include working for a year and then attending B.C.I.T. for a business administration course.

ANDREW LYRMAN WILKINS

For the past ten years, Andrew has been part of the V.C. scene. A quiet serious individual, he is interested in skiing and other outdoor activities such as hiking, swimming and canoeing. In school, besides his school work, he participated in last year's Musical, South Pacific. His post-graduation plans include continuing his studies at, as yet, an undecided university.

PATRICK WONG KIN LEUNG

A student from La Salle College in Hong Kong, Patrick is in his second year as a resident of McCormack Hall. When not studying, he enjoys tennis, soccer, weight lifting and swimming. Next year he hopes to continue his education at a Canadian university.

Good Luck Grads

CHRISTOPHER CHARLES WYATT

A native of England, Chris came to V.C. from Athlone School four years ago. When he isn't studying to maintain, he enjoys photography, skiing and cycling. Now a naturalized Canadian citizen, Chris hopes to to go to U.B.C. next year and hopes to study Dentistry or Medicine.

TIMOTHY YEUNG KANG TIM

Another student from Hong Kong, Timmy is in his fourth year at College. Outside of school, his interests include golf, swimming and ping-pong. In school he has managed to survive the rugged life of a resident student. Next year he hopes to continue his study at Mac Master University in Eastern Canada.

MARTIN JOHN ZAJAC

Marty, the last of a seemingly endless list of twelve year men, is one of those rare individuals who have contributed a lot to making College a great school by working behind the scenes. A faithful supporter of all school endeavours, he was a natural choice for the Activities Editor of the Collegian. A lover of solitude, he often escapes to Whistler where he can be alone with his faithful dog, Duke. Next year it's Arizona State for business adminstration.

SOUTH PACIFIC

1976 MUSICAL

Musical 1976 - "South Pacific"

In keeping with the spirit of the Centenary year of the arrival of the Christian brothers in North America, Vancouver College, in conjunction with Little Flower Academy brought "South Pacific" to Newfoundland from April 20th to May 1st. The performances were in St. John's, the scene of the Brother's first arrival to the shores of North America, and in Cornerbrook, Newfoundland's 2nd largest city. The entire cast and crew were well-received by their hosts and they responded with high calibre performances that received rave reviews from newspaper critics. The tour was truly a highlight of the 1976 school year.

Prior to the Newfoundland tour, the play undertook a successful six-night stand at the Metro theatre. Our Vancouver audiences enjoyed the performances immensely. Spearheading the production of the musical again this year was our own talented Musical Director Br. L.P. Taylor, and of course, our brilliant director and choreographer, Grace MacDonald.

In the cast, lead roles were played by Debbie Bradley 'Ensign Nellie Forbush' and Mike Luz 'Emile De Beque'. Backing them up were Mike Coady 'Luther Billis', Kathy Sweeney 'Bloody Mary', Paul Clarke 'Lt. Joseph Cable', Shane Novak 'Capt. George Brackett', and Jeff Harris 'Stewpot'. The entire cast performed very well with many exceptional performances by individuals.

Special thanks to Joe March 'stage manager' and the technical crew for their efficient work behind the scenes. Also thanks to Steve Sweeney 'lighting director', Br. M. Furey 'Backstage director', Stan Kazun 'the brilliant piano man', the Brother's Centenary Committee for arranging the tour, and a special thanks to all those who sponsored the show, making it the success it was.

This year the yearbook was produced by the students of Vancouver College, with the help of Bro. Rowland and Bro. Maher. Peter Irving, the Editor-in-Chief, made the Yearbook Room his home away from home, spending many hours checking layouts before being sent for production.

With the help of Bro. Maher, the 1977 Collegian Staff produced the best ad campaign ever seen at Vancouver College, which reached over 5900 dollars. The success of the ad campaign is a result of the staff's hard work. The staff this year ranged from grade nine to grade twelve. With the exception of the darkroom staff, all sections were headed by grade twelves who were responsible for having their sections finished before the day of the deadline.

Again this year we were bestowed with a Wednesday afternoon activity period. The nine week program, as always, was a success and the variety of activities was wide. The favorites bowling, swimming, skiing and skating were back. Other activities were hockey, musical, bridge, etc. There was something for the intellectual and the athlete alike. The Activity Period is always a success and we hope it is an aspect of College life that will always be maintained.

WALKATHON

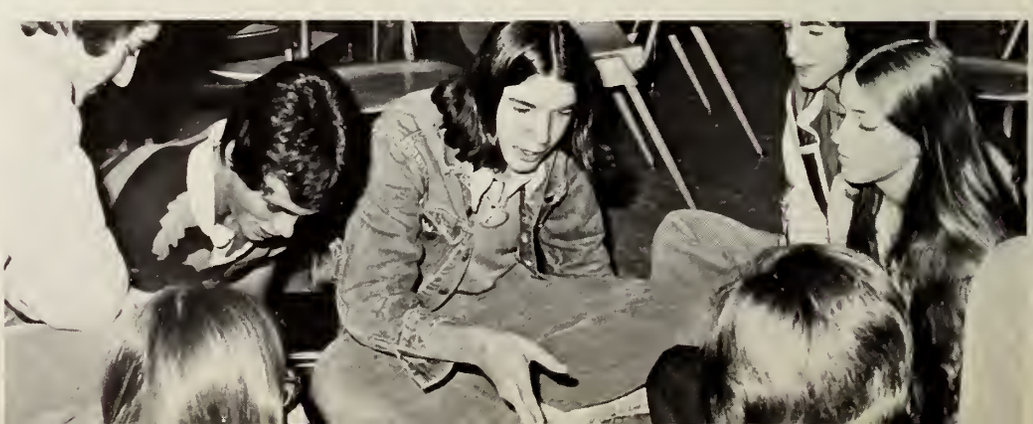
Under the leadership of Bro. Basil, the Walkathon took place, for the first time, in the fall. The goals of the walkathon were the new P.A. system in the gym, payment for the new tennis courts and new equipment for the library. After some while the Student Body finally made a conscientious effort in promoting the walkathon and as a result it met with success. We thank Bro. Basil and all the mothers who helped in organizing of the walkathon and especially those individuals who co-ordinated the checkpoints and food at Brocton Point.

THE VOICE

Some of the members of the VoiCe staff plot their plans for future issues.

This year's edition of the V.C. School Newspaper, the VoiCe, was handled all year by Greg Richards and Gerry Baker, who put many long, sleepless hours of work into editing, typing, and otherwise producing some of the most unforgettable issues of the VoiCe ever turned out. They were aided and abetted all year by the likes of Paul Gaylie, Kevin Atherton, John Geary, John Boyle and Roger Beaudoing, as well as a cast of thousands of others. Every three weeks or so, a new issue of the VoiCe would appear to delight, amaze, enrage, and amuse the student body as it never was before.

1976 LEADERSHIP CONFERENCE



On Nov. 19th, over 100 students from schools around the Lower Mainland converged on the College campus for the start of the Student Leadership Conference. Co-ordinated by Owen Davis, under the moderation of Br. Carrothers, the Conference was a resounding success.

With his assistant Dan Lavery, Owen put together a program helping the participants to realize their own potential as leaders. With the actual execution, the program was up to Peter Irving and his beloved L.F.A. Gofers (pronounced 'gophers'), being the backbone of the two-day Conference.

Owen was joined this year by Fr. Tom Chambers, the director of the International Student Leadership Institute from Notre Dame University. Fr. Chambers flew from Cleveland to help in an advisory capacity and was accompanied this year by Peter O'Brien, a V.C. grad and an organizer of the '75 Conference.

INTRAMURALS

In the course of the year, about three-quarters of V.C.'s high school students participated in the intramural program, which consisted of floor hockey, basketball, volleyball, soccer and softball. This year the organization of each sport was undertaken by a student. Ted Kenny and Rudee Gessie were outstanding as directors of floor hockey and basketball respectively, fully measuring up to the responsibility of their positions. Moderators were Br. Wright, Mr. Lattimer and Mr. Summers. Colorful annual trophies were provided for the homeroom with the best combination of victories and participation in each sport and for the year.

VARIETY NIGHT

On Friday, February 4th, the 4th VC-LFA Variety Night took place. The participation was overwhelming as 20 acts, including Stan Kazun and the Continental Cavaliers, the Junior Four, Shaboom, Elvis and a deranged King Kong displayed their talents on stage. The host, Paul Gaylie, kept the audience groaning from the time he bounced onto the stage at 8 pm until the time the audience bounced him off the stage at 11 pm. The show was well attended with over 300 people present. Organizers of the show were Dan Lavery and Gerry Baker. Thanks to all those people who helped in the production of the show and to all those who attended.

STUDENT COUNCIL

GRAD COMMITTEE

RETREATS

The retreats this year were most successful. Br. Dawson was the mastermind behind all the retreats, and because of his efforts everyone got a lot out of them. Most of the retreats were held at Rosemary Heights where the Good Shepherd Sisters provided the students with a hearty lunch. The general format of the retreat consisted in a group session in the morning, followed by a period of quiet time for individual thought, reflection and prayer. After a break for lunch, there was usually a time provided for confession followed by an intimate celebration of the Mass.

The retreats provided us a chance to review ourselves, to stand back and look at a reflection of our lives. Thus they provided an experience that would influence our lives when we returned to the busy world of V.C.

EXPORT

V. C. SPIRIT

The 'School Spirit' of Vancouver College has long been displayed with great pride by its students, and this year was no exception. The first chance the students had to show the spirit of '76-'77 was during the football season. Coached by Mr. Kelly and led by team captains Brent Stuart and Rudee Gessie, College played a good, enjoyable brand of football. Unfortunately, the team's drive for a championship was halted - as in the previous half-decade, by the Jugglers of Notre Dame.

The Basketball team really made everyone stand up and cheer. One of the highlights of the season was the Doctor Pepper Emerald Tournament. Teams from Alberta, Manitoba, Ontario and B.C. participated. The high point had to be when the very talented Oakwood Barons narrowly defeated the spirited Irish before a packed house. Later, the fans cheered the Irish squad through a tough Lower Mainland Tourney at B.C.I.T. to a record 24th appearance at the Pacific Coliseum's B.C. Championships.

Of course there were other teams representing V.C. The Hockey Team under their new coach, Brother Kenny, played its' third season. The revived Division One Soccer team enjoyed a successful year in the Vancouver Community League finishing in second place. Intramurals gave a large part of the student body a chance to compete in sports and participation was very good at all levels. All in all, the teams from Vancouver College were of High calibre. The played hard and were well supported by large crowds of loud, spirited fans - in the fine tradition of V.C.

V. C. DANCES

The dances this year were a tremendous success, with such bands as Handley Page, Tarcus, and Bowser Moon performing. The dance committee, headed by Bob Tichelman and Stephen McCabe, did a superlative job, and enough cannot be said for those who spent their free time on Saturdays setting up. The dances were popular with both VC students and members from schools all over the lower mainland.

BELOW: Tom Aulinger winds up for a "big one."

Peter Irving drives home the winning goal against Kerkoff Masonry.

FRIST ROW: Ron Carten, Roland St. Cyr, Mark Ridley, Paul Beaulieu, Glenn Petty, Paul Brin.

SECOND ROW: Mike Fahrmann, Brent Crich, Jim Green, Brian Milne, Mike Reilly, Yorg Gromer.

FIGHTING IRISH BASKETBALL

FRONT: Pierre Pittet, Paul Irving, Gary Oleskiw, Doug Hartman, Peter Chiang, Dean Pietrantonio. BACK: Mr. J. Mills, Coach, Yorg Gromer, Mgr., Tom Miletich, Phil McKay, Ian MacKinnon, Bill Rogers, Richard Lutman, Mike Arnold, Dave Culos, Mgr., Mr. R. Clavin, Moderator.

This year's rendition of Irish basketball proved to be one of the most exciting teams in several years at V.C. Coached by a 1968 Grad, John Mills, the Irish played a poised and controlled game, coupled with tenaciously rugged defense, which saw the Irish players diving courageously for loose balls. An early highlight for the Irish was our own Emerald Tournament, co-hosted for the first time by Dr. Pepper, which featured the Oakwood Barons of Toronto. The climax of the year undoubtedly was the B.C. Tourney which the Irish entered for the twenty-fourth time. After a series of close games, the Irish ended up third place in B.C.

ABOVE: A little too short, Doug! BELOW: Oleskiw plugs in two from below.

ABOVE: Feeling no pressure, Pierre Pittet shows style and poise as he nets another two for the Irish. BELOW: Phil McKay demonstrates his power as he goes up for two.

ABOVE: "What a big fella", exclaims O'Dea's No. 22, as Gary Oleskiw pops in two more. BELOW: Pittet lays in an easy hoop.

ABOVE: Mike Arnold attempts one of his patented moves against two players from Argyle. BELOW: "Hey, I should be shooting from the other side", ponders Pierre Pittet as he goes up for the shot.

The Irish discuss their plan of attack as they prepare for the second half.

"Where's Nancy?" wonders Oleskiw, as Bill Rogers fires a shot.

Oleskiw shows his strength as he plucks the ball out of Knights.

JUNIOR VARSITY
BASKETBALL

LEFT TO RIGHT: Mr. Kelly, Coach, Mike O'Brien, Steve Grout, Frank Schober, Mark Hartman, Paul Toporowski, Matt Lakowski, Carlos, Moniz, Fritz Luz, Allan Hemming, Paul Lucas.

Through dedication and determination this year's Junior Varsity Team fought their way through a very difficult season. Under the guidance of Mr. Kelly this team played well together. Their outstanding characteristic was not giving up even when faced with over-powering odds. In spite of a losing season, they worked hard and did their best.

ABOVE: Mark Hartman shoots from the foul line. BELOW: Frank Schober puts in a rebound.

Steve Grout shoots as Mike O'Brien looks on.

ABOVE: Mike O'Brien drives for two. BELOW: Steve Grout feeds to Jim Kelly.

GRADE 8 A

Roger Grover, Mgr., Daniel Murphy, Jeff Charpentier, Eric Koban, Dan Hagemoen.

Sean Doughty, Tom Toporowski, Steve Lyons, Mr. Choo, Coach, Andrew Larigakis, Peter Keyes.

LEFT Schwartz adds two more for the Irish! RIGHT: Stewart Bailey shows his style to all who wish to watch.

The grade eight basketball teams competed against other schools with Grade 8B coming out on top. Though handicapped by a late start and little practice time, they finished strong with an 8-6 winning record. The 8B Team voted individual awards to Mark Welman as Most Valuable Player, William Tsaw as Most Improved, and Gordon Urquart as Most Inspirational. Also outstanding were sharp-shooting forward Leo Schwartz and the most promising player, Stewart Bailey, who performed well both ways at every position.

GRADE 8 B

Gordon Urquhart, William Tsaw, Joseph Doyle, Leo Schwartz, Mark Welman.

Stewart Bailey, Kevin Falcon, Marc Fidgett, Pat Thrift. MISSING: Trey Lund, Br. Wright, Coach.

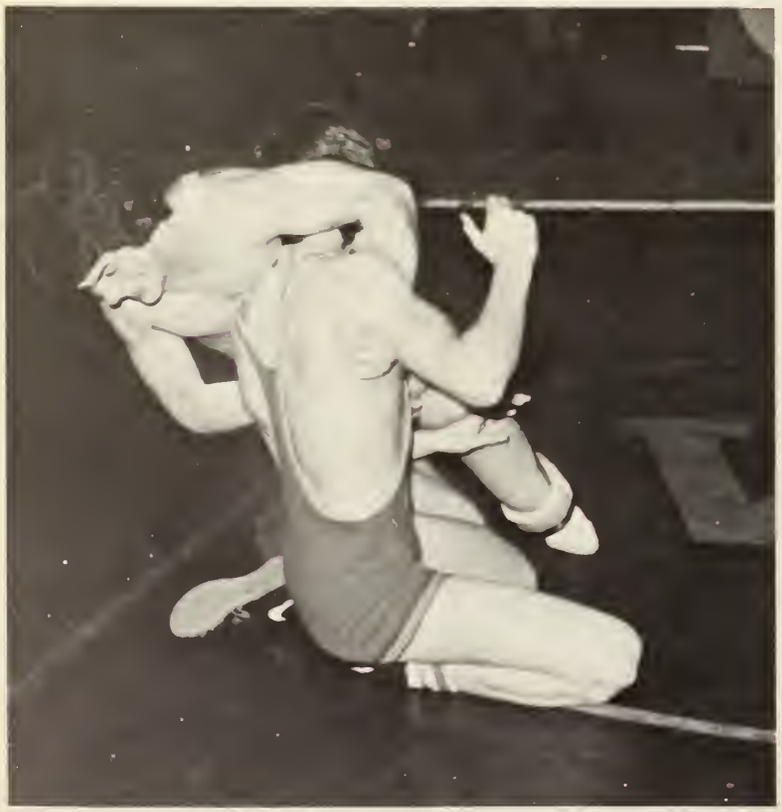
RIGHT AND LEFT: Two unique forms but they both add up to points for the Irish!

BACK ROW: Tom Kingston, Roman Pasqualotto, Ted Kenny, Brian Battle, John O'Toole, Russ Hemming, Joe MacKinnon, Bill Gray, Rob Porter. FRONT ROW: Randy Bradley, Mike Ferdinandi, John Stubbs, Eric Walker, Alex Lobazar, Mike Boskovich.

This year's edition of the hockey team showed good sportsmanship and team qualities under Brother Kenny LEFT. Although the win-loss record was not outstanding, the team showed true College spirit and gave 150 percent in every game. Many losses were by only one point and it was inexperience which held the Irish back.

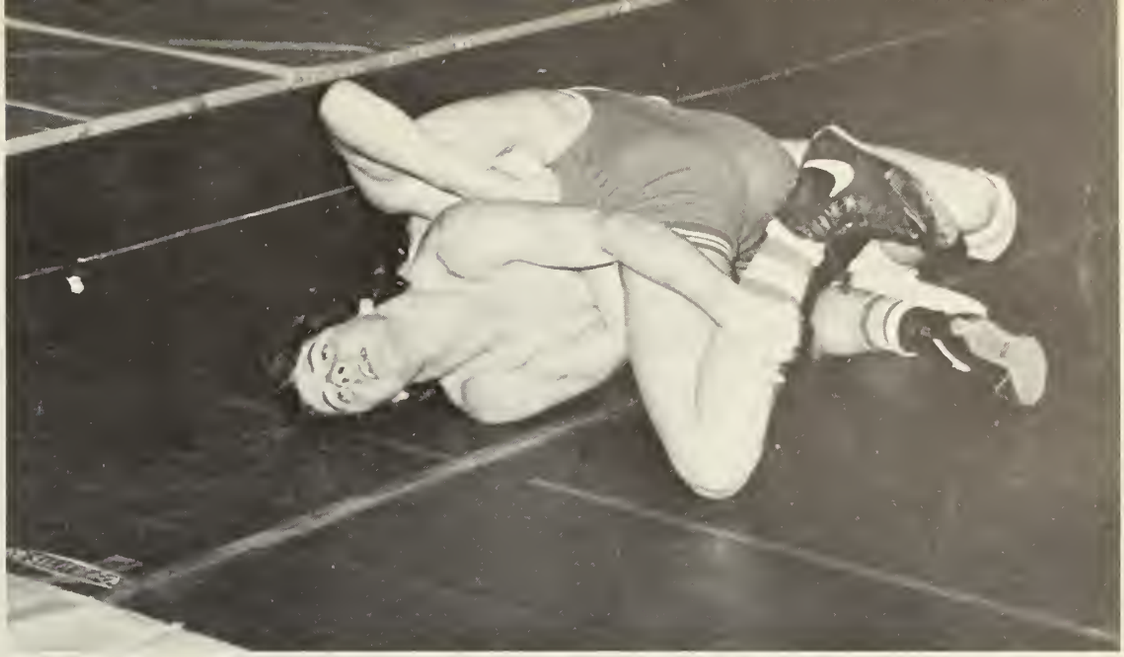
IRISH WRESTLING

FRONT ROW: Rick Wagnar, Stewart Muir, Dino Gorgas, Randy Bilesky. BACK ROW: Bob Tichelman, Martin Emslandar, Mr. Anderson (Coach), Paul Gipps, Brenton Guile.



The Fighting Irish Wrestling Team has proven its ability again this year. Outstanding individual performances combined with close teamwork to provide a winning season under the guidance of Mr. Anderson. The team was never outclassed, and after each meet the opposition knew they had been in a fight.

LEFT: Bill Gray drives his opponent into the mat. RIGHT: Bob Tichelman smiles after a hard-earned pin.



RIGHT: Bill Gray looks for help from a heavenly source. MIDDLE RIGHT: Paul West is declared "the winnah!" BELOW RIGHT: Barry Bellamy gets a secret from his opponent. BELOW: We've got to stop meeting like this.

Once upon a time there were two kingdoms. One ruled by Queen Wood, the other by King Ward. They were not happy kingdoms for their lands did produce but half their needs. Queen Woods but fruit and vegetables, King Wards but sheep and cows, and, neither storeroom was filled for lack of selection....
It came to pass that they, joined hands and storerooms. To this day, you will see the name of the new kingdom on the storeroom door.... Woodward's Stores
